

A PARENTS PRAYER

Thank-you God for these children of mine
who teach me things that blow my mind.
They entertain themselves in the funniest ways,
I pray that their innocence never goes away.
I pray they will grow up and be smart
and I pray they will never grow apart.
I pray they will call home
whenever they are near a phone.
I pray they will never feel alone.
I hope they turn to you for guidance and in prayer.
And know that you and their parents will always be there.

MY PRECIOUS CHILD

The greatest gift we will ever know
is a child, born to love and grow.
Conception is a miracle in itself;
the start of new life and good health.

Such a treasure your precious child is,
who will thrive on every hug and kiss.
Hold them close and sing them songs;
they will only be a child for so long.

They may not always smell pure and sweet,
A dirty diaper or a dampened sheet.
But with a loving cuddle and beautiful smile,
the joys of parenthood are all worth while.
"Thank-you Lord for our precious child."
