Call To Worship:

Leader: We gather in worship of Creator,
Who has given us the power to be called His children,
and the blessing of our place in Creation!

**People: When I know my place, I respect the
place of others -- all my relations.**

Leader: When we understand that humans are just
part of the created universe,
we have a better understanding of our place.

**All: I am part of all Creator has made,
and I come to this holy place to praise and worship
Him!**
